The Cursillo Movement offers a method of spiritual growth and commitment. It is supported entirely by donations; therefore, team members will be asked to contribute the same amount as candidates based on the type/length of the weekend. However, no one is ever pressured to make a donation to the Cursillo Movement. This is between you and God. ***No one should hesitate to attend or work a weekend because of finances.*** If necessary, use a separate sheet of paper for additional information and attach it to the application.
